

Coloring book comparison

Compare evidence from complete samples. Write "not checked" wherever a feature remains unverified.

Question	Book 1	Book 2	Book 3
Title and edition			
Required course topics covered			
Complete sample inspected (topic/page)			
Clear targets and room for answers?			
Key available for each task?			
Print / binding evidence actually checked			
Can I quiz myself after coloring?			
Total cost and format			

My decision and reason: _____

A digital preview does not verify final paper or binding. Consider the course resources you already have before buying.
